

This is based on resources suggested by Regional Arts Australia, which notes that they use “*the Modified Monash Model to determine the classification of a location receiving funding. Regional Arts Fund applicants must reside in a postcode outside MMM1.*” – Regional Arts Australia, <https://regionalarts.com.au/publications/blog/what-we-mean-when-we-talk-about-regional-remote-and-rural-australia>

Check your MMM code via the Health Workforce Locator: <https://www.health.gov.au/resources/apps-and-tools/health-workforce-locator/app>

<p>1. Go to https://www.health.gov.au/resources/apps-and-tools/health-workforce-locator/app</p>	
<p>2. In the menu panel, open “Modified Monash Model” and click the ‘2019’ button</p>	
<p>3. Find your address or place by typing in the address</p>	<p>Here we have used APT’s office in Carlton NSW as an example</p>

4. Check the results – look for the “Modified Monash Model” score.
